

FRANCES RHODES SCHOLARSHIP APPLICATION

Named for one of the early leaders in the development of Northern Light Eastern Maine Medical Center's material managements system, the Frances Rhodes Employee Education Fund was created at Northern Light Health Foundation in 1997 to perpetuate the spirit of organizational achievement through employee education. The Frances Rhodes Scholarship supports annual individual awards to employees enrolled in the tuition reimbursement program. Preference is given to individuals seeking to expand their employment opportunities within Northern Light Health. Managers should consider the following when recommending an employee for scholarship: employee in good standing, employed more than one year, and currently enrolled in the tuition reimbursement program.
